Income replacement

“You don’t think about the insurance aspect of membership until you need it! I have had to make two claims in the last 14 months. After one of the crashes, I was out of work for 5 months. I was able to claim for loss of earnings, which gave me great peace of mind”

Tony Hoare, Fitzroy North

Income replacement is a commonly claimed item.

Income replacement is available for Members who have a temporary total disablement as a result of a bike crash that prevents them from engaging in or attending their usual profession, business or occupation.

A legally qualified medical practitioner must confirm this temporary total disablement.

Under this policy provision, 80% of weekly earnings can be reimbursed up to a maximum of \$1,000 per week (for up to 52 weeks) for Members living in Australia.

A (14) day waiting period applies.
