

National Ride2School Day

3. Bike Storage & Parking

Handy tips for taking care of all those extra bikes on National Ride2School Day:

- Designate a specific area, with good passive surveillance, (outside the Principal's window is best) for a temporary bike corral.
- Mark the area out with coloured flagging tape, a rope or chairs.
- Ask students to bring bike locks (if they own one)
- You could run some rope through the back tyres of the bikes for additional security.
- Get some students to 'guard' the bikes in shifts throughout the day.
- Publicise to students and parents that additional bike parking will be available on the day.
